

Employee's Shareholder Association of Evonik e.V.

Membership

Join the Employee's Shareholder Association of Evonik

All employees of the Evonik Group can become members of the Employee's Shareholder Association of Evonik.

The Association represents the interests of all active and former employees who obtained shares of Evonik through the Employee's Share Programs or by other means and who would like to support the aims of the Association.

During the Annual General Meeting of Evonik the Association executes the authorized and duly transferred voting rights of employee-shareholders.

Support the Purpose of the Association

The purpose of the Association is an adequate representation of the employees of Evonik among the Evonik shareholders.

The Association promotes the idea of shareholder ownership of employees.

By grouped voting rights, employee interests can be pursued. In particular the Association aims to pursue employee interests, sustainable corporate and business strategies and practices and job security.

Employee interests can be articulated best by a significant number of duly authorized and transferred voting rights at the Evonik General Shareholders' Assembly Meeting.
